## **DETAILED ACTION**

### **Reason For Allowance**

1. Claims 20-32, 34, 36-41, 49-51, 55-59, 63 and 64 are allowed.
2. Following is an examiner's statement of reasons for allowance:

The prior art taken either singularly or in combination fails to anticipate or fairly suggest the limitations of the independent claim(s), in such a manner that a rejection under 35 U.S.C. 102 or 103 would be proper. The prior art fails to teach a combination of all the claimed features as presented in independent claims 20, 22, 26 and 28, which include a process for (claim 20) filling an array of microcups with a dielectric fluid containing a mixture of dispersions in a dielectric solvent or solvent mixture, said mixture of dispersions comprising at least a suspension of charged pigment particles and a dispersion of a thermoset precursor composition which has a specific gravity lower than that of the dielectric solvent or solvent mixture; (claim 22) sealing the filled microcups by overcoating onto said dielectric fluid a thermoset precursor composition which is at least partially immiscible with said dielectric solvent or solvent mixture and has a specific gravity lower than that of said dielectric solvent or solvent mixture; (claim 26) sealing the array of filled microcups to form a sealed array of electrophoretic cells with a thermoset precursor composition having a specific gravity lower than that of the dielectric solvent or solvent mixture; (claim 28) sealing the filled microcups with a thermoset precursor composition having a specific gravity lower than that of the dielectric solvent or solvent mixture to form sealed electrophoretic cells containing said white pigment dispersion in said dielectric solvent or solvent mixture of the first color disclosed in the claims is not found in the prior art.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
